

As Pastor and founder of The Vision Ministry International, Pastor Delmar serves with the mission of “Restoring Kingdom Living, for all people, in all the world.”

Anointed and appointed to preach the Gospel of Jesus Christ, set a flame of Fire by God (Hebrews 1), with the passion for operating in the prophetic, flowing at the Will of the Holy Ghost in the gifts of the Spirit, Pastor Delmar serves locally, nationally and internationally, with the commandment from God to duplicate that Fire in the Body of Christ and throughout the world. Miracles, signs, wonders, and mighty works are common everywhere his feet tread. As a Man of God for the hour at hand, soul winning, deliverance and healing are significant occurrences for such a time as this!

Serving God since his teenage years and in ministry for over 30 years, Pastor Delmar has brought The Word of God to the world. Revelation to all who know him fills the atmosphere.

Delmar and The Vision have released 5 CD projects: True Love Reaches Out (2001), Out of Egypt (2006), Christmas With Delmar & The Vision (2015), Jesus, Jesus, Jesus (2015), and Jesus Your Healer (2016). These products are supernaturally distributed around the world! Delmar & The Vision are currently in the studio working on the CD project "Jesus, The One and Only." Delmar is also planning to release his first book entitled "Everyday Faith."

Pastor Delmar also serves as chaplain for the Liberty County Sheriff's Department and ministers in county jail every Wednesday. The Spirit of God – always moving through Chaplain Delmar – changing lives forever...some hearing of Jesus for the first time...some are giving themselves to Jesus- with the years of torment gone forever! He also brings hope to people in multiple correctional facilities, military bases and other organizations that serve the general public, as well as others held captivity by the world.

Extra Oil Holy Ghost Meetings are held by Pastor Delmar and his wife Charlotte every Friday evening at The Vision Ministry Headquarters in Raywood, Texas. The Spirit of God flows freely through him, ministering to every need, every hurt, and healing to all who believe! Delmar makes himself available to the Spirit of God for the people. Some find themselves called out to receive from God – peace, encouragement, acknowledgment with regards to unresolved situations, but God...

Ministering at conferences, camp meeting, churches, street corners, city parks, crusades, jails, prisons, and venues, following the instructions of the Holy Spirit,

"No matter the circumstance" God makes a way to reach the people. He has also been sent to other countries and continents like Columbia, Chile, Bolivia, Mexico and soon, Africa.

Thus... The Beaumont crusade...

God asked Pastor Delmar - "Will you go to Beaumont for me?" He answers immediately, "Yes Lord!" As the Lord would have it; simultaneously answering the prayers of a faithful man praying "Lord send someone!" God did, he sent Pastor Delmar.

Pastor Delmar and The Vision Ministry International are covered spiritually and ordained by World Ministry Fellowship (Dallas, Texas), Cornerstone Church (Liberty, Texas) Pastor Mike Glazener, HIM Ministries (Texarkana, Arkansas) Pastor Tracy Harris, and Maranatha Church (Mont Belvieu, Texas) Pastor Ronnie Trice.
