Greetings in the Name of Our Lord Jesus Christ!

Thank you for your support and appreciation for The Vision Ministry International! We are going places in the Holy Ghost and we are so glad that you are with us!

You are a vital part of the Body of Christ and your heart towards the Father God is showing. Your prayers and participation lift up the plans and purposes of the Lord in this ministry. We see you! When you are loving God and loving people, you are laying up treasure in Heaven! (Matt 6:19) You are a Blessing to God and to us! Thank you for being a part of this ministry family.

We also want you to know how you benefit from being a partner with us. In Philippians 4:15, Paul says, "You are a partner and have ministered to us in every way - ye only." A few verses later (verse 19) says, "My God shall supply all your needs according to His riches in glory in Christ Jesus." You receive blessings in Heaven and on Earth through miracles, healings, financial blessings, and spiritual moves that occur when The Vision Ministry team goes out. Jesus said, "Go ye into all the world and preach the gospel to every creature." (Mark 15:5) Together we are doing just that! Because we are in the right place, at the right time, doing the right thing and we are BLESSED, BLESSED, BLESSED!

You might also want to know about some of the signs and wonders that have followed our ministry. Life happens everywhere we go! First, salvations. We've seen between 6,000 to 7,000 people born again every year for the last 4 to 5 years! We've seen healings of all kinds - tumors disappear, rotor cuffs in the shoulders, deaf ears opened, marriages restored, physical hearts made new, and the brokenhearted made whole. We've seen high blood pressure corrected, a man confined to a wheelchair, the result of a car accident years earlier that left him with many pins and rods in his body, after the Holy Ghost instructed Pastor Delmar how to pray; (he commanded the man to get out of that wheelchair and walk in the Name of the Lord Jesus); the man got up out of his wheelchair and ran around an 800 member sanctuary! Another report – man raised from the dead! Paramedics were working on an unconscious man on a stretcher and they had been getting no response to emergency treatment for quite some time. Pastor Delmar comes in and touches the man's toes, prays, and calls the man's name. The man coughs, his eyes pop open, and he recovers; receiving life in the Name of Jesus!

We love you! We are blessed to have you! We release the Kingdom of God into your life! The Lord bless you and keep you! Thank you for giving to the Lord Jesus!
